
Welcome to our 16th White Hart Beer Festival.

You'll find a wide range of Ales and Ciders with the return of some old festival favourites. Real Ale is served in the main festival marquee, as well as our resident ales in the pub! The ales and ciders are listed below to help you make your choices, please note not all ales may be "tapped" and ready as they take different amounts of time to settle.

We have live music in most sessions and of course we'll have our usual Pimms, Champagne and Wine selections for those who don't care for beer or cider as much. And because it was so popular last year we are offering a mini gin festival with 30 to try! The pub is where you'll find anything else.

We very much hope that you enjoy this year's festival and remind you not to drink and drive, and please respect our neighbours when you leave.
